

**CHIEF SECRETARIAT.**  
(GENERAL ADMINISTRATION DEPARTMENT).

*Notification No. GAD 49 INS 62, dated 29th February 1964.*

The revised provisional Inter-State Seniority List of Draughtsmen and Tracers of the Agriculture Department was circulated by the Director of Agriculture in October 1962.

There were only two objections pertaining to correction of date of birth and initials. These factual errors have been corrected in the enclosed list.

The provisional Inter-State Seniority List of Draughtsmen and Tracers of the Agriculture Department as corrected is given in Annexure-I.

Any Government servant aggrieved by the position assigned to him in this list, on grounds connected with the establishment of equivalence of post or any other matter relating to integration of services may submit his representation in this behalf in six sets under Section 115(5) of the States Reorganisation Act, within thirty days from the date of publication of this Notification in the *Mysore Gazette*, to the State Government through the Chief Secretary to Government for being sent to the Government of India for further action.

By Order and in the name of the Governor of Mysore,

E. R. DEEN DAYAL,  
*Deputy Secretary to Government, G.A.D.*  
(Integration).

**EXPLANATORY NOTE.**

For purposes of preparing the Provisional Inter-State Seniority List of Draughtsmen and Tracers in the Department of Agriculture the services and the classes and categories of posts held by the allocated Government servants on 31st October 1956, are equated with the services and the classes and categories of posts sanctioned for the Department of Agriculture in the new State of Mysore.

*Explanation :—*In this note “allocated Government Servant” means a person allotted or deemed to be allotted to serve in connection with the affairs of the State of Mysore under the provisions of Section 115 of the States Reorganisation Act, 1956.

(2) In determining the equivalence of posts held by the allocated Government servants on 31st October 1956, under the different classes and categories of posts, the following factors have been taken into consideration :—

- (a) the nature and duties of the post;
- (b) the responsibilities and powers exercised by the officer holding the post: the extent of territorial jurisdiction or other charge held by the incumbent or the responsibilities devolved on the holder of the post;
- (c) the minimum qualifications, if any, prescribed for recruitment to the post;
- (d) the salary of the post;

Provided that the salary of a post has not been taken into consideration, except where the other factors are equal and it is not possible to determine the equation on the basis of those factors.

(3) The posts held by the allocated Government servants on 31st October 1956 have accordingly been equated as shown in Annexure II.

(4) The Inter-State Seniority between the allocated Government servants has been determined with reference to the length of continuous service, whether in a permanent, temporary, or officiating capacity, in equated posts, excluding periods during which an equated post was held in a purely stop-gap or fortuitous arrangement;

Provided that—

- (a) where the length of continuous service is the same, in respect of two or more Government servants, the person older in age is deemed to be senior to the person younger in age.
- (b) where two or more categories of posts of the same State have been declared to be equivalent to any category or class of post in the new State of Mysore, the total continuous service in all the categories of posts in the former State is deemed to be the length of continuous service;
- (c) the inter-se seniority of allocated Government servants from the same State is not varied unless to give effect to proviso (b) or unless on equitable grounds such variation is deemed necessary;
- (d) if in respect of any allocated Government servant from the State of Madras, a “deemed date” of promotion had been determined before the first day of November 1956, and the determination of the length of continuous service with effect from the “deemed date” is more favourable to such Government servant, the length of his continuous service is deemed to be from such “deemed date”.

(5) For the purpose of paragraph 4, the length of continuous service has been taken to include the following categories of service :—

- (a) ‘Service as Probationer’ in an equated post as service in an officiating capacity if such service as Probationer would count for determination of seniority in the parent State;
- (b) ‘War Service’ of an allocated Government servant, if such war service would count for determination of seniority in the parent State;

- (c) in respect of upgraded posts, service in the post prior to the upgrading, if the upgrading enhanced the status of the post without any alteration in the duties and responsibilities or pay scale (other than during a general revision of pay scales) and the same person held the post both before and after the upgrading;
- (d) in the case of an allocated Government servant, who had been transferred from one department to another department, his service before such transfer in any class or category of posts which carried the same scale of pay as the class or category of posts held by him on 31st October 1956, unless the rank of such Government servant in the class or category of post in which he was serving on 31st October 1956, had been finally fixed by the appropriate authority in the inter-se seniority list before 1st November 1956.

(6) (a) In the cases specified in the following categories (i), (ii), and (iii) where the inter-se seniority is not in accordance with the length of continuous service in a post, the Inter-State Seniority has been determined in the manner specified in sub-paragraph (b) of this paragraph.

(i) Where there has been recruitment to any class or category of posts both by promotion of Government servants in a service (that is, recruitment by promotion) and also by appointment of persons not in such service, (that is, by direct recruitment) and in accordance with the rules in force relating to the determination of inter-se seniority, the rank of a person appointed by direct recruitment is fixed above the rank of a person recruited by promotion, although the person recruited by promotion, has rendered service in an officiating capacity in that class or category of posts for a longer period than the person appointed by direct recruitment;

(ii) Where in respect of recruitment to any class or category of posts by promotion of Government servants in a service, a person holding a lower rank in the seniority list of the class or category of posts from which the promotion is made, was promoted in preference to the person holding a higher rank on the ground that such person was not fit for promotion, to the higher class or category, and subsequently either under the orders of any Appellate authority or otherwise, the person holding the higher rank is promoted to the higher class or category of posts, and his rank in the seniority list of that higher class or category has been fixed above the rank of the person promoted earlier;

(iii) Where in respect of any Government servant, in pursuance of any penalty imposed, the rank in the inter-se seniority list of any class or category of posts, has been fixed below that of any other Government servant, whose length of continuous service in that class or category is less than that of the Government servant on whom the penalty is imposed.

(b) After preparing a draft Inter-State Seniority List omitting the names of persons falling under the above three categories, their names are inserted at appropriate places as shown below:—

(i) the rank of the Government servant appointed by direct recruitment referred to in category (i) of sub-paragraph (a) is fixed in the Inter-State Seniority List, immediately above the rank of the person recruited by promotion, whose rank in the inter-se seniority list was immediately below the rank of such Government servant;

(ii) the rank of the Government servant recruited by promotion and holding a higher rank referred to in category (ii) of sub-paragraph (a) is fixed in the Inter-State Seniority list immediately above the rank of the person whose rank in the inter-se seniority list was immediately below the rank of such Government servant;

(iii) the rank of Government servant referred to in category (iii) of sub-paragraph (a) is fixed in the Inter-State Seniority List immediately below the rank of the person whose rank in the inter-se seniority list was immediately above that of such Government servant;

(iv) in respect of cases which do not fall under any of the three categories referred to in sub-paragraph (a) the rank has been determined on the merits of each case.

(7) The Seniority of Government servants allocated to serve in connection with the affairs of the State of Mysore under the Andhra State Act, 1953, has been fixed in the same manner as in the case of Government servants allocated from the State of Madras, maintaining the inter-se seniority as in force on 30th September 1953 in the Madras State, except in cases where the seniority of any such Government servant is already concluded by an order of Government and in consequence thereof promotions have been made and there is no pending appeal.
